*Bonus questions*

Where was Study in Scarlet published?

What was the original title?

Discussion question:

Holmes tries to explain to Watson his eccentric range of knowledge.

“I consider that a man’s brain originally is like a little empty attic and you have to stock it with such furniture as you choose...It is of the highest importance, therefore, not to have useless facts elbowing out the useful ones.”

What do you think of this?

Can Murray the orderly be considered one of the greatest heroes of the canon?
